North Carolina Farmworker Health Program, Office of Rural Health and Community Care

RE: **Migrant Fee-for-Service Program Budget Status**

DATE: May 28, 2008

Due to a continued increased demand for services, the North Carolina Farmworker Health Program, within the Office of Rural Health and Community Care regrets to inform that we will not be able to reinstate pharmacy coverage for the next fiscal year beginning July 1, 2008.

Thank you for your continued commitment to providing care to migrant farmworkers and their families working in North Carolina. Please visit the Fee-for-Service section on our website: www.ncfhp.org for further information on low-cost pharmacy resources.
